GENERAL INFORMATION OF PROBABLE INTEREST TO
THE SERVICE.

NAVY HEROISM.

By direction of the President, the Secretary of the Navy presented the NAVY CROSS to

JOHN KOIF
Chief Water Tender, U.S. Navy

for extraordinary heroism while serving on board the USS CASSIN, as set forth in the following

CITATION:

"For extraordinary heroism in the line of his profession, on the occasion of a tragic accident on board the USS CASSIN on 18 August 1937. Koif, who was in charge of fireroom operations and was in the fireroom at the time of the accident, ordered the fire-room secured and all men to leave it at once. He remained behind to check the condition of the plant, thereby subjecting himself to severe burns and definitely endangering his life. His action characterizes conduct above and beyond the call of duty."

*

COMMENDATIONS.

On 25 February 1938, the Secretary of the Navy commended the following men for their prompt and courageous action on occasion of an accident on board the U.S.S. CASSIN:

Charles Joseph SPENCER, W.T.lc, U.S.N., Receiving Station, Phila.
Everett George O'BRIEN, W.T.lc, U.S.N., U.S.S. CASSIN.
George Evans SIMS, F.lc, U.S.N., U.S.S. CASSIN.

At about 1105 on 18 August 1937, an accident occurred in number one fire-room of the CASSIN. These men opened the port escape hatch. It was difficult to open because it was not designed to be operated from the outside. This act liberated large quantities of condensed steam and excessive heat. Without delay and without consideration for their personal safety, they immediately entered the fireroom and rescued John Koif, C.W.T., two Navy Yard employees, and Lieutenant Henry M. Marshall, who were rapidly being overcome. Such action is in keeping with the best traditions of our Naval Service.

THE PANTLESS GUNNER OF PANAY.

Commend me to that noble soul
Who, in the battle's heat,
Rushed to his post without his pants,
The bomber's dive to meet;
Who stood upon the rocking deck
In careless disattire,
With shirt tail flaunting in the breeze,
To deal out fire for fire.
Old Glory's color deepened
As she floated o'er this son--
The man who had no time for pants
But plenty for his gun.
Come, name a million heroes,
But to me there'll never be
A finer show of nerve and grit
On any land or sea -----
Then dwell upon your epics
Should you feel an urge for chants,
Recall the sinking Panay
And the gunner minus pants!

----- Vaun Al Arnold

POSTGRADUATE INSTRUCTION IN NAVAL CONSTRUCTION.

The following-named Ensigns have been selected for postgraduate instruction in Naval Construction:

- SENIF, Howard Z.
- CHENAULT, Frederic A.
- BROWN, James A.
- PETROVIC, William F.
- ARNOLD, Henry A.
- PINKERTON, Dale F.
- TERRY, James H., Jr.
- RAWLINGS, John B.

THE KNOX TROPHY.

The U.S.S. CHESTER attained the highest merit of any vessel of the Heavy Cruiser Class in Short Range Practice for the gunnery year 1937-38. This vessel is, therefore, entitled to the award of the Knox Trophy which the Society of the Sons of the Revolution in the Commonwealth of Massachusetts presents annually to the vessel of the Heavy Cruiser Class attaining the highest merit in Short Range Practice. The merit of the CHESTER was 107.224.

SHORE DUTY - CHIEF PETTY OFFICERS.

The Bureau is now preparing to order annual replacements of chief petty officers between sea and shore duty. In checking over the shore duty waiting list, it is probable that there will be insufficient men of some ratings to meet the requirements, and additional requests are desired at this time from chief petty officers who will become eligible for shore duty prior to 31 August 1938, for the following districts:

	<u>1st</u>	<u>3rd</u>	<u>4th</u>	<u>5th</u>	<u>6th</u>	<u>9th</u>	<u>11th</u>	<u>12th</u>	<u>13th</u>	<u>REINA</u> <u>MERCEDES</u>	<u>RecSta</u> <u>Washington</u>	<u>SubBase</u> <u>New London</u>

In this connection, Bureau of Navigation Circular Letter No. 6-37 (corrected) (to be reprinted in Circular Letter O-38), has been modified wherein the sea service requirement for the following ratings is as indicated:

COURTESY CARDS.

The attention of officers is called to Article H-1730, Bureau of Navigation Manual, which permits the issue of courtesy cards to commissioned officers and warrant officers of the Naval Reserve by commandants of naval districts. The purpose of these cards is to identify reserve officers visiting ships and stations of the Navy in the interest of broader professional knowledge.

COMMENTS ON NAVIGATIONAL EQUIPMENT REQUESTED.

The Bureau desires to receive comments from time to time regarding the suitability and effectiveness of navigational equipment supplied to the fleet. To this end, it is suggested that the "Remarks" space on the back of the Inventory of Navigational Instruments (N.Nav. 165), in the forthcoming 30 June 1938 report, be used for informal comment or recommendation on any instrument reported on that form, looking toward improvement in design or change of allowance.

COMMENTS ON NAVIGATIONAL EQUIPMENT REQUESTED (Contd.).

Suggested subjects for comment follow: ruggedness or lack of; suitability, usefulness - in case of spyglass, for instance, whether some are too high powered with too small a field or vice versa; whether you think the inverting telescope (sextant) is necessary or not; what style of clock face is most useful, silver or black; whether you like the 24-hour dial; parallel motion protractors; do you ever use rolling rulers; how many spyglasses are actually needed; do you prefer two spyglasses of different power - say, 10 and 16 power - instead of 10, 20, and 30 power; what instruments should be omitted from allowance, etc., etc.

Lack of comment will be taken to indicate that instruments are satisfactory, and that no changes are recommended. Both constructive criticism and favorable comment are valuable to the Bureau, and are invited.

It is suggested that a note be made on tickler file for 30 June, N.Nav. 165 Inventory of Navigational Instruments, so the Bureau may have the benefit of your comments.

NEPTUNE CERTIFICATES.

(S. and A. Memo. No. 424, January 1938)

Neptune certificates will be carried in stock at the Naval Supply Depot, Norfolk, and the Navy Yard, Mare Island.

Ships on the East Coast will obtain Neptune certificates from Norfolk; those on the West Coast and Asiatic Station from Mare Island.

Neptune certificates will be issued to Navy personnel without charge. When a ship's itinerary indicates it will cross the equator, a requisition will be submitted for the number which it is definitely ascertained will be required. As only a limited stock will be maintained at Norfolk and Mare Island, requisitions will be submitted in ample time to allow replenishment of stock.

STANDARD PRINTING PLANTS.

The Bureau has adopted as standard, for printing plants on board ships, the following type styles:

Cheltenham Bold, 10, 12, 18 and 24 point.
Cheltenham Oldstyle, 10, 12, 18, 24 and 36 point.
Copperplate Gothic, 6 point, 3 sizes; 12 point, 3 sizes.
Cheltenham Italic, 8, 10, 12, 18, 24 and 36 point.
Typo Roman, 18 point #1 and #2.
Wedding Text, 10, 12, 18 point.

typesetting machine magazines

Century Expanded, 10 point - 1 magazine.
Century Expanded, 8 point - 1 magazine.
Century Expanded, 6 point - 1 magazine.

In connection with type, the quantity of each size mentioned shall not exceed two fonts.

CITIZENSHIP OF FILIPINOS.

Because the Bureau had no record of the application of a Filipino for first citizenship papers, several cases have recently arisen where a Filipino has been ordered to the Receiving Station, Cavite, for transfer to the Fleet Naval Reserve, when the man had previously filed his "Declaration of Intention" to become a citizen. This requires a cancellation of orders or unnecessary correspondence, and in some cases a ship is deprived of a man's services needlessly.

Commanding Officers are, therefore, requested to make an entry on page 9 of a Filipino's service record whenever information is received of the submission of "Declaration of Intention," with the date and place of such submission. In addition, when forwarding applications of Filipinos for transfer to the Fleet Naval Reserve, Commanding Officers are requested to state in the first endorsement whether man is a naturalized citizen of the United States and, if not, if he has taken out first citizenship papers. In either case, the date and place should be given.

This article appeared in Bureau of Navigation Bulletin No. 242, 28 November 1936, and is being republished in the event some Commanding Officers are unfamiliar with the proper procedure.

CUSTOMS REGULATIONS.

Where trade-marks are owned by citizens or corporations within the United States the importation in passengers' baggage within the \$100. exemption of articles bearing these trade-marks may be restricted by the owner of the trade-mark.

Bureau of Navigation Circular Letter No. 29-35 quoted a letter from the Secretary of the Treasury of 22 April, 1935, calling attention to the restrictions imposed by certain owners of perfumery trade-marks. The Treasury Department's instructions were modified and amplified by Bureau of Customs circular letter No. 1792 of 30 December, 1937, but the general provisions remain in effect.

Bureau of Navigation Circular Letter No. 29-35 was omitted from the reprint in Circular Letter No. 0-38 of circular letters in force. The most recent Treasury Department instructions in regard to restrictions placed by owners of trade-marks of perfumery and toilet articles are found in Bureau of Customs circular letter 1792. This circular letter has been furnished ships and stations.

SPIRIT OF THE NAVY.

By direction of the President, the Secretary of the Navy presented the NAVY CROSS to

JAMES EDGAR BROOKS
Seaman Second Class, U.S.Navy

for extraordinary heroism while crossing the Elizabeth River between Norfolk and Portsmouth, as set forth in the following

CITATION:

"For extraordinary heroism on 4 April 1937, while crossing the Elizabeth River between Norfolk and Portsmouth, aboard a ferry, BROOKS, at the risk of his life, unhesitatingly went to the rescue of William E. Daughtrey, a stranger, who was being attacked and subsequently fatally wounded. His courageous action and exemplary conduct on this occasion reflect great credit upon the Naval Service."

Next of kin: Mother, Mrs. Florence Schnurr, St. Louis, Mo.

COMMENDATIONS.

On 28 February 1933, the Secretary of the Navy commended the following officers:

Commander Herbert V. Wiley, U.S.N., while commanding the U.S.S. SIRIUS, for successfully towing the dipper dredge "Hell Gate" from New York to Pearl Harbor, a distance of 6,706 miles.

Ensign Dallas M. Laizure, U.S.N., U.S.S. IDAHO, for self sacrifice and initiative demonstrated in saving human lives at Yosemite Park, Calif.

On 4 March 1938, the Secretary of the Navy commended the following officers:

Lieutenant Cameron Briggs, U.S.N., VP-5, for attempting to save the life of a passenger, Lieut. (jg) Joseph W. Campbell, (DC), U.S.N., after the crash of a plane he was piloting.

Lieutenant James E. Leeper, U.S.N., commanding U.S.S. GANNET, for assisting in the rescue of six survivors of a plane crash.

OFFICER'S ORDERS.

It often happens that it is desirable to detach an officer at an approximate date. In order that the commanding officer may exercise discretion when considered necessary, the orders direct detachment "on or about" a given date.

It is the Bureau's intention that under such orders the officers should be detached during a period of ten days before or after the date mentioned.

NEW CRUISER.

The Secretary of the Navy has designated Miss Elinor C. Gudger, daughter of Captain and Mrs. Emmet C. Gudger, (SC), U.S.Navy, as sponsor for the U.S.S. HELENA (CL50), named for the City of Helena, Montana.

Miss Gudger is the granddaughter of the late Honorable Thomas J. Walsh, for many years Senator from Montana and the first designated Attorney General in the present Cabinet. Her father, Captain Emmet C. Gudger, U.S.Navy, is Supply Officer at the Navy Yard, Washington, D.C.

The U.S.S. HELENA (CL50) is scheduled to be launched at the Navy Yard, New York, sometime in October, 1933.

The U.S.S. HELENA (CL50), authorized by Act of Congress dated February 13, 1929, is the second vessel of that name.

NEW DESTROYER.

The Secretary of the Navy has designated Miss Mary Teresa Stack, daughter of Honorable Michael J. Stack, Congressman from Pennsylvania, as sponsor for the U.S.S. STACK (DD406), named in honor of the late Lieutenant Edward Stack, U.S.Marine Corps.

The U.S.S. STACK (DD406) is scheduled to be launched at the Navy Yard, Norfolk, Va., 5 May 1938.

The U.S.S. STACK (DD406) was authorized by the Act of Congress dated March 27, 1934.

NEW SUBMARINES.

The Secretary of the Navy has designated the following sponsors for the submarines SARGO (SS188), SAURY (SS189), and SPEARFISH (SS190), now under construction at the Electric Boat Company, Groton, Conn.:

Mrs. Chester W. Nimitz, wife of Captain Chester W. Nimitz, U.S.Navy, Assistant Chief of the Bureau of Navigation, Navy Department, Washington, D. C., has been designated as sponsor for the U.S.S. SARGO (SS188).

Mrs. James Paul Casbarian, of Washington, D. C., has been designated as sponsor for the U.S.S. SAURY (SS189).

Mrs. L. Y. Spear, wife of Mr. L. Y. Spear, Vice President of the Electric Boat Company, Groton, Conn., has been designated as sponsor for the U.S.S. SPEARFISH (SS190).

MERCHANT MARINE INFORMATION.

The Oxford University Press, Inc., 114 Fifth Avenue, New York City, has advised the Bureau that they will publish in book form the article in Fortune Magazine on the Merchant Marine.

PARTIAL SCHOLARSHIP - ADDITION.

The following addition should be made to the Bureau of Navigation Pamphlet "Schools and Colleges Granting Concessions to Sons and Daughters of Officer and Enlisted Personnel, U.S. Navy, 1928":

Rutgers Preparatory School, New Brunswick, N. J.

This school has since 1766 been operated under trustees elected by Rutgers University. It gives preparatory courses leading to college entrance. Its enrollment is limited to 100. This school offers a reduction in its established rate from \$975 to \$800 to sons of naval officers.

MILITARY SCHOOL - CORRECTION.

Due to a change in policy the concession granted by the New Mexico Military Institute, Roswell, New Mexico, shown on page 12 of the Bureau of Navigation pamphlet "Schools and Colleges Granting Concessions to Sons and Daughters of Officer and Enlisted Personnel, U.S. Navy, 1928" and modified by Bureau of Navigation letter Nav-147-MRG, P11-1(NC1)(251), of 21 July, 1933, has been withdrawn.

All copies of the above-mentioned pamphlet and letter should be corrected accordingly.

PARTIAL SCHOLARSHIP - DAUGHTER.

There is one partial scholarship at the Ogontz School, Montgomery County, Pa., open to a daughter of a graduate of the U.S. Naval Academy on active duty, for the school year beginning with the fall of 1938. (The full scholarship and other partial scholarship is not available in 1938.) This partial scholarship is valued at \$900 and covers about one-half of the total charges for tuition and other expenses. For further information, see Bureau of Navigation Bulletin No. 244.
